# ABOUT US

**NOM NOM** began trading in 2014 with a love of outdoor festivals and events but most importantly food!

Keeping it fresh, moving with the times and always focused on great service.

Based in the midlands we travel all over the UK to cater a range of events from charity events and firework displays to airshows and major music festivals

Our menus and units get revamped and improved each year, pushing for new flavours and style to keep customers interested and wanting more.

With a easy pricing structure, a daily specials board and meal deal options available, a quality meal is ensured at a reasonable price.

All our ingredients are sourced from local UK red tractor and fair trade suppliers, ensuring highest quality and best tasting food possible, whilst lowering food mileage and co2 emissions  
The highest regard is given to the quality and flavour of our foods whilst maintaining great value for money
